

Brian Frisk

Art Director / Copywriter

Portfolio: BrianFrisk.com 

About Me

I'm an art director, designer and creator who thrives on making unique work. I love coming up with big ideas and fine-tuning the smallest details.

My background is in interactive design but these days I do it all. I'm also a writer, illustrator, animator and filmmaker.

My greatest strength is creating engaging digital content. I make hilarious videos, intuitive interfaces and ads that turn heads. And I'm always hungry for more!

Experience

2015-Present **Freelance Art Director, Writer and Content Creator**
For the last few years, I've been doing freelance work directly with clients to create content that blurs the line between advertising and entertainment. I've worked with...

Comedy Central
"Weird" Al Yankovic (Sony Music)
Earthbath Natural Pet Care
GameLocker
Mondomedia

2008-2015 **Saatchi & Saatchi**
Art Director | Copywriter
I began as an interactive art director for Toyota, leading the redesign of Toyota.com and their first mobile site and app. Over time I transitioned into a broader role including national campaigns.

2005-2007 **TBWA/Chiat/Day**
Freelance Designer
I worked on projects for Nissan Motors, Hoover, Sony Playstation and various game titles.

Previous Agencies
EVB
Mekanism
Deepend
BIG Interactive

Education

San Rafael, CA **DigiQuest Interactive**
Internship

Santa Rosa, CA **Santa Rosa Junior College**
I studied graphic design and video production.
